When you call these office(s), say that you have a message regarding the “Emergency Child Care Bridge Proposal”. To whomever you get directed, please say:

*“I’m calling to ask the Member to include \$11 M in this year’s budget and \$22 M in following years to provide foster families with Emergency Child Care Bridge vouchers, which will ensure that child care is available to any foster parent who needs it. Then, briefly explain why you/your agency think child care access is critical for foster children and their caregivers.”*
