Part III Statement of Program Service Accomplishments

Check if Schedule O contains a response or note to any line in this Part III [X]

1 Briefly describe the organization's mission: The Alliance has improved the lives of more than 150,000 young clients with permanency through adoption and legal guardianship, access to healthcare and critical supports, and education needs and rights, serving 6,402 children this fiscal year.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? [X] No

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? [X] No

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses.

4a (Code: ) (Expenses \$ 929,269. including grants of \$ ) (Revenue \$ ) Adoption and Guardianship: Stable, nurturing homes are a primary need for the children the Alliance serves. Adoption gives children in foster care a chance to be part of a permanent family. Together with pro bono attorneys, the Alliance overcomes barriers and delays for children waiting for their adoption to finalize, completing approximately one-third of all adoptions out of foster care in L.A. County. Adoption is not the only means through which children who cannot safely remain with birthparents find stable, loving homes. The Alliance and its pro bono partners help low-income caregivers become legal guardians through the probate court, to allow for children's medical care and education. The Alliance then advocates for healthcare and supportive benefits to help these families stay secure and thrive.

4b (Code: ) (Expenses \$ 869,385. including grants of \$ ) (Revenue \$ ) Education: More than half of all children in foster care have learning disabilities or developmental delays. This, combined with frequent moves and school changes, results in a 50% school drop-out rate. However, evidence shows that reaching children at a young age will improve healthy development and reduce or avoid the need for special education and mental health services later. The Alliance advocates for foster children ages 0-19 to receive assessments, education services, and therapies tailored to meet their special needs. The Alliance also works to keep youth succeeding in school and on track for high school graduation by ensuring that they are in appropriate classes, receive appropriate credits, and have access to education plans, tutoring, and transportation, even when they must change schools.

4c (Code: ) (Expenses \$ 569,956. including grants of \$ ) (Revenue \$ ) Transition Age Youth (TAY): Every year, thousands of young people "age out" of the foster care system in L.A. without a permanent family or adequate preparation. The Alliance provides targeted support to those youth ages 14-24, to help them overcome barriers to employment, education, housing, and healthcare. The Alliance assists youth who have experienced identity thefts and financial frauds, and advocates for high-needs foster youth, including pregnant and parenting teens, youth who cross into the delinquency system, and youth with severe disabilities. It also empowers these youth with connection to resources, skill building workshops, advocacy opportunities, and mentoring. Together with pro bono attorneys and other volunteers, the Alliance is improving outcomes and promoting independence for youth.

4d Other program services (Describe on Schedule O.) (Expenses \$ 2,110,851. including grants of \$ ) (Revenue \$ )

4e Total program service expenses 4,479,461.

Form 990, Part I, Line 1, Description of Organization Mission:

The Alliance for Children's Rights provides free legal services that bring stability to children living in poverty and in foster care, through adoption or guardianship and access to the healthcare, education, and resources they need to succeed in school and in life. For teens that age out of foster care without the safety net of a permanent family, the Alliance provides support, advocacy, and the tools they need to live independently.

Form 990, Part III, Line 4d, Other Program Services:

Public Benefits and Services: Children in foster care have a tremendous need for a stable home. Caregivers, particularly relatives, who step up to provide for these children are often low-income and can become overwhelmed with their new responsibilities, putting that essential stability at risk. The Alliance obtains appropriate funding and services for these children so that caregivers can provide basic necessities and access critical services like specialized medical equipment and therapies, counseling, child care, educational services, and respite care. Securing these resources can often mean the difference between permanent, safe homes and struggling, unstable ones.

Healthcare: A child's illness can be emotionally and financially devastating for any family and, for families already living in poverty, the challenges are even greater. The Alliance helps children facing Medi-Cal eligibility problems, treatment denials, and inadequate access to physicians, dentists, and mental health services. The Alliance

conducts training and support for medical and social service providers on the needs and rights of foster youth and available resources. We also protect the rights of expecting and parenting teens in foster care to healthcare and sexual and reproductive education so that they have the resources and supports they need to be good parents and break the inter-generational cycle of children being removed from young parents in foster care.

**System-Wide Reform:** The Alliance works at the state and local levels to develop and implement policies and practices that improve children's lives and well-being. Through its work with a high volume of individual clients as well as through collaboration with legal services programs and support centers across the state, the Alliance is able to recognize trends, identify systemic issues and pursue reform through litigation, legislative or administrative advocacy in order to improve outcomes and promote the well-being of children and families.

**Opportunity Youth Collaborative:** The Los Angeles Opportunity Youth Collaborative (LA OYC), led by the Alliance, is a collective effort to improve the education and employment opportunities for transition age foster youth from ages 14 to 24. Too often, efforts to support young people's transition from foster care to independence fall short, due to service gaps and lack of coordination among public and private organizations. To overcome those gaps, the LA OYC brings together public and private agencies, community-based organizations, foundations, educational institutions, and employers to to address the barriers that impede foster youth and create pathways for them to achieve success in school and at work. By coordinating resources; aligning services; sharing information; identifying best practices;
